New York State Department of Health
and the
New York State Health Research Science Board

Request for Applications

Healthcare Practitioner
Breast Cancer Education Research Projects (Round 3)

KEY DATES:

RELEASE DATE: 8/21/2019

APPLICANT CONFERENCE REGISTRATION DUE: 9/4/2019

APPLICANT CONFERENCE: 9/6/2019 at 10:30 AM
By Webinar (WebEx) at: 1-844-633-8697 or 1-518-549-0500
Meeting ID # 640 388 494

LETTER OF INTENT DUE (Strongly encouraged): 9/13/2019

QUESTIONS DUE: 9/24/2019

QUESTIONS, ANSWERS AND UPDATES POSTED ON OR ABOUT: 10/1/2019

APPLICATIONS DUE: 10/10/2019 by 4:00 PM

DOH CONTACT NAME AND ADDRESS: Jeannine Tusch
Extramural Grants Administration
NYS State Department of Health
Wadsworth Center
Empire State Plaza, Room C345
PO Box 509, Albany, NY 12201-0509
(518) 474-7002 (phone)
hrspb@health.ny.gov

Staff will be available at the phone number and email address above to answer questions about the RFA during regular business hours and up to 4PM on the application due date.

I. INTRODUCTION

A. Background

New York State Cancer Registry data indicates that nearly 16,000 women are diagnosed with breast cancer and approximately 2,500 women die from this disease each year in New York. Nationally in 2015, more than 240,000 new cases of female breast cancer were reported, and more than 40,000 died from the disease. Breast cancer is the second leading cause of cancer-related deaths among women in New York. Men also get breast cancer, but it is very rare, they are diagnosed with breast cancer at less than 1% the rate of women. Breast cancer incidence is a burden globally and was the fifth leading cause of cancer deaths for both sexes in 2015.

In New York State, there are nearly 400,000 licensed healthcare practitioners*, and many thousands of students in these professions are being educated in the state. The New York State Health Research Science Board (HRSB) recognizes that the need for innovative breast cancer educational programs for these professionals is great and is ongoing as advances occur and practices evolve. An accurate and thorough understanding of new developments in breast cancer causation, risk reduction, disease progression and treatment options is essential to the healthcare practitioner’s ability to provide excellent breast healthcare.

*For the purposes of this RFA, a healthcare practitioner is defined as a New York-licensed physician, physician assistant, nurse practitioner, nurse midwife, or registered nurse.

Equally important is the degree to which healthcare consumers have the capacity to obtain, process, and understand basic health information and services needed to make appropriate health decisions. This concept is known as "health literacy." While people of all ages, races, incomes and education levels are affected by limited health literacy, it disproportionately affects lower socioeconomic and minority groups. “The National Action Plan to Improve Health Literacy” is based on the principles that:

1) Everyone has a right to health information that helps them make informed decisions.

2) Health services should be delivered in ways that are understandable and beneficial to health, longevity, and quality of life.

“The National Action Plan to Improve Health Literacy” identifies healthcare professionals as having a critical role in promoting changes in delivery systems which will improve patient access to accurate and understandable health information and provide sufficient support to motivate and enable informed decision-making. It recognizes that sensitive and culturally competent communication strategies are needed to bridge the significant differences in background (age, socioeconomic status, education, etc.) that often exist between patients and their providers.

The HRSB advises the New York State Department of Health (NYSDOH), Wadsworth Center, Extramural Grants Administration (EGA) regarding funding opportunities for breast cancer research and education. The HRSB makes funding recommendations to the Commissioner of Health following the review of applications for breast cancer research studies and education projects. Additional information about the HRSB can be found at: https://www.wadsworth.org/extramural/breastcancer.

B. Purpose of Funds

The purpose of the Healthcare Practitioner Breast Cancer Education Research Projects RFA is to facilitate the delivery of superior breast healthcare in New York State through an investment in the planning, development, implementation, rigorous evaluation and revision of innovative breast cancer education and communication training programs for healthcare practitioners and students of these professions. These research projects will focus on developing programs to enhance the ability of healthcare practitioners and students to become partners with their breast cancer patients, patients at-risk for developing breast cancer, and/or patients at risk of breast cancer recurrence and to communicate accurately and effectively with patients, survivors, and patients’ families.

Successful research will expand the means to improve patient health literacy as it relates to breast health. Knowledgeable healthcare practitioners who can communicate with clarity, respect and motivational skill will enhance the ability of patients to partner fully in their breast health treatment decisions and empower patients to accept responsibility for important aspects of self-care and monitoring. Practitioners who acquire these skills and embrace these attitudes will facilitate the development of health literacy in their patients and improve their own abilities to partner with patients, thus improving medical outcomes and the patient’s quality of life.

C. Available Funds

The number of awards will be contingent upon the quality of the applications received as well as the size and scope of the proposed projects. Approximately $270,000 is available to support approximately one (1) award from this RFA. The funding is available for a period of up to three years. The annual direct costs are capped at $75,000 per year. Additionally, funds will be available to support Facilities and Administrative (F&A) costs up to 20 percent of modified total direct costs. Based on its assessment that the field is ready to pursue additional investigations, the HRSB may determine that additional funds should be made available under this RFA to support additional awards.

All awards will be financed by the state’s Breast Cancer Research and Education Fund. The Fund is financed primarily by personal income tax check-off contributions and donations. In addition, the Fund receives fifty percent of the proceeds from the sale of “Drive for the Cure” specialty license plates. Since 2002, those funds are matched by the state each year, essentially doubling funds available for breast cancer research and education awards. Since 2002, the Fund has received in excess of $11.5 million from over 800,000 contributions and over $22 million has been awarded.
II. WHO MAY APPLY

The applicant organization must be a New York State not-for-profit community-based organization (CBO). All applicants must enter into a partnership. The partnership must be between a CBO and a “qualified institution”.

The eligible Principal Investigator/Project Director (PI/PD) is designated by the applicant organization, has the skills, knowledge, and resources necessary to carry out the proposed Workplan. An individual may serve as a PI/PD on more than one application in response to this RFA provided that the goals and objectives of each application are significantly different. However, a maximum of one award will be made per PI/PD. Individuals and corporate or academic entities may appear in any number of applications as collaborators or consultants.

Eligibility to apply includes the following mandatory items:

1. CBO
   - The CBO must be tax-exempt under section 501(c)(3) of the U.S. Internal Revenue Code;
   - The CBO must be a grass roots, free-standing organization in New York, where breast cancer patients/survivors hold significant decision-making responsibilities;
   - The CBO must serve one or more New York communities;
   - The CBO must offer a broad range of breast cancer education or support services free of charge; and
   - The CBO is Prequalified in the NYS Grants Gateway, if not exempt (see RFA Section IV. M.)

2. Partner (Subcontractor)
   - The CBO must enter into a partnership (subcontract) with a qualified NYS institution, defined as:
     - an academic or medical institution;
     - state or local government agency;
     - healthcare facility;
     - hospital or their affiliates; and
     - any other institution approved by the department.
   - The partnership between the CBO and the qualified institution must be clearly named using the application forms:
     - The CBO must be named using RFA Attachment 3: Application Form 1
     - The partner (Subcontractor) organization must be named using RFA Attachment 4: Application Form 1-Sa

3. PI/PD
   - Is not a postdoctoral fellow or dependent research staff; and
   - Is not restricted from receiving Public Health Service (PHS) funding or debarred by the United States Food and Drug Administration (FDS) or any other federal or New York State government entity

Awarded CBOs will be expected to monitor the use of funds, maintain individual accounts and fulfill other fiscal management criteria. Other subcontracting and collaborating organizations, outside of the partnership, may include public, not-for-profit and for-profit entities within or outside of New York State.

Submission of an application certifies that the CBO, Partner, and the PI/PD meet the
eligibility criteria stated here.

III. PROJECT NARRATIVE/WORKPLAN OUTCOMES

Successful applications will demonstrate effective, synergistic partnerships between CBOs and qualified institutions throughout the contract term. The partner should be selected and justified based upon the contribution of specific and relevant expertise integrating aspects of the project (i.e., medical content accuracy, medical education, program development, program evaluation).

Applicants may subcontract components of the scope of work outside of the required partnership. If applicable, another subcontractor may be named by completing Attachment 4: Application Form 1-Sb.

The applicant is expected to state the specific components of the scope of work to be performed through the partnering organization and any additional subcontracts in the Workplan. Applicants should note that the lead organization (contractor) will have overall responsibility for all contract activities, including those performed by the partnering organization and any additional subcontractors, and will be the primary contact for the NYSDOH. All subcontractors must be approved by the NYSDOH.

Project efforts should be targeted to the following audiences:

- breast cancer patients and their providers;
- patients at-risk for developing breast cancer and their providers; or
- patients at risk of breast cancer recurrence who have had the disease and their providers.

Successful applications will propose:

1. Planning and development of a novel breast cancer education program including medically and scientifically accurate up-to-date content and innovative methods consistent with “The National Action Plan to Improve Health Literacy”. The proposed program design will directly educate the target healthcare practitioner/student group in methods and skills to:
   - enhance provider-patient communication regarding breast health;
   - motivate patients to be full participants in their breast health care; and
   - increase patient health literacy (to include an awareness and understanding of new developments in breast cancer causation, risk reduction, disease progression, treatment options and survivorship).

2. Pilot implementation (a small-scale test or trial) of the novel program.

3. Rigorous, formal evaluation of the pilot’s effectiveness in improving communication between healthcare practitioners and their patients, increasing patient health literacy and motivating patients to become active participants in their healthcare decisions, self-monitoring and monitoring.

   - Describe the selection and use of reliable and validated evaluation tools.
4. Revision and refinement of the program and associated materials based on evaluation results.

- Contractors will be expected to report these findings and, where applicable, barriers and/or challenges to successful adoption and implementation of enhanced communications, improved health literacy and behavioral change.

The application may not include any scientific, budgetary or commitment overlap with other awards that will be active beyond the anticipated start date of the Healthcare Practitioner Breast Cancer Education Research Project award. If overlap is present, the Healthcare Practitioner Breast Cancer Education Research Project award will not be funded (see Sections V.C. and V.F.).

Contracts funded under this RFA are expected to produce medically and scientifically accurate educational programs and materials that can be shown to be effective in increasing health literacy and motivating patients to be full participants in their breast health. Demonstration of effectiveness will be shown through results obtained from formal evaluation during the contract term. Results obtained from these research projects may serve as the basis for such future projects. **NOTE:** Funded projects shall not include program implementation which goes beyond the contract period; the contractor should plan to pursue other sources of funding for future implementation or further examination.

Contractors are expected to make program content, methods and materials available for dissemination to other communities so that successful projects may be replicated and/or further studied. In addition, contractors are expected to submit manuscripts, including but not limited to the dissemination of evaluation results, refinements and barriers to behavior change for publication in relevant peer-reviewed journals, to ensure that a sound basis is provided for other communities to replicate or modify these new approaches or design subsequent studies that build upon the contracted efforts.

**IV. ADMINISTRATIVE REQUIREMENTS**

**A. Issuing Agency**

This RFA is issued by the New York State Department of Health (NYSDOH), Wadsworth Center, Extramural Grants Administration. The Department is responsible for the requirements specified herein and for the evaluation of all applications.

**B. Question and Answer Phase**

All substantive questions must be submitted in writing to or via email to:

Jeannine Tusch  
Extramural Grants Administration  
New York State Department of Health  
Wadsworth Center  
Empire State Plaza, Room C345  
PO Box 509, Albany, NY  12201-0509  
hrsb@health.ny.gov
To the degree possible, each inquiry should cite the RFA section and paragraph to which it refers. Written questions will be accepted until the date posted on the cover of this RFA. This includes Minority and Women Owned Business Enterprise (MWBE) questions and questions pertaining to the MWBE forms.

Questions of a technical nature may be addressed in writing or via telephone by calling Jeannine Tusch at (518) 474-7002. **Questions are of a technical nature if they are limited to how to prepare the application (e.g., formatting) rather than relating to the substance of the application.**

Some helpful links for questions of a technical nature are below. Questions regarding specific opportunities or applications should be directed to the NYSDOH contact listed on the cover of this RFA.

- [https://grantsmanagement.ny.gov/resources-grant-applicants](https://grantsmanagement.ny.gov/resources-grant-applicants)
- Grants Gateway Videos: [https://grantsmanagement.ny.gov/videos-grant-applicants](https://grantsmanagement.ny.gov/videos-grant-applicants)
- Grants Gateway Team Email: grantsgateway@its.ny.gov  
  Phone: 518-474-5595  
  Hours: Monday thru Friday 8am to 4pm  
  (Application Completion, Policy, Prequalification and Registration questions)
- Agate Technical Support Help Desk  
  Phone: 1-800-820-1890  
  Hours: Monday thru Friday 8am to 8pm  
  Email: helpdesk@agatesoftware.com  
  (After hours support w/user names and lockouts)

Prospective applicants should note that all clarifications and exceptions, including those relating to the terms and conditions of the contract, are to be raised prior to the submission of an application.

This RFA has been posted on the NYS Grants Gateway website at: [https://grantsgateway.ny.gov/IntelliGrants_NYSGG/module/nysgg/goportal.aspx](https://grantsgateway.ny.gov/IntelliGrants_NYSGG/module/nysgg/goportal.aspx) and a link provided on the Department's public website at: [https://www.health.ny.gov/funding/](https://www.health.ny.gov/funding/). Questions and answers, as well as any updates and/or modifications, will be posted on the Grants Gateway. All such updates will be posted by the date identified on the cover of this RFA.

C. Letter of Intent

Prospective applicants are **strongly encouraged** to complete and submit a Letter of Intent (see RFA Attachment 1). This form will be used to develop the review panel in a timely manner. Letters of Intent should be submitted via the Grants Gateway in the Pre-Submission Uploads section of the online application. Please note that you will receive an error message when uploading the letter into the application as other Pre-Submission uploads are not due until the application is submitted. The file name should include the applicant organization and PI/PD name. A copy must also be e-mailed to
hrsb@health.ny.gov. Please ensure that the RFA number, organization name and PI/PD name are noted in the e-mail subject line. Submit the Letter of Intent via both formats by the date posted on the cover of the RFA.

Submission of a Letter of Intent is not a requirement or obligation upon the applicant to submit an application in response to this RFA. Applications may be submitted without first having submitted a Letter of Intent.

D. Applicant Conference

An Applicant Conference will be held for this project. Potential applicants are strongly encouraged to participate in the applicant conference to receive an overview of the RFA and ask specific questions. The conference will be held via webinar (WebEx) only on the date and time posted on the cover sheet of this RFA. The Department requests that potential applicants register for this conference by emailing hrsb@health.ny.gov. The Department will send a confirmation email with instructions for joining the conference to all registrants. The deadline for reservations is posted on the cover of this RFA. Applicants unable to participate in the webinar will have the option to view the applicant webinar slides at their convenience. The applicant webinar slides will be posted with the Questions and Answers document on the NYS Grants Gateway website at https://grantsgateway.ny.gov by the date posted on the cover of this RFA. Failure to attend the applicant conference will not preclude the submission of an application.

E. How to File an Application

Applications must be submitted online via the Grants Gateway by the date and time posted on the cover of this RFA. Reference materials and videos are available for Grantees applying to funding opportunities on the NYS Grants Gateway. Please visit the Grants Management website at the following web address: https://grantsmanagement.ny.gov/ and select the “Apply for a Grant” from the Apply & Manage menu. There is also a more detailed “Grants Gateway: Vendor User Guide” available in the documents section under Training & Guidance; For Grant Applicants on the page as well. Training webinars are also provided by the Grants Gateway Team. Dates and times for webinar instruction can be located at the following web address: https://grantsmanagement.ny.gov/live-webinars. To apply for this opportunity:

1. Log into the Grants Gateway as either a “Grantee” or “Grantee Contract Signatory.”
2. On the Grants Gateway home page, click on the “View Opportunities” button.
3. Use the search fields to locate an opportunity; search by the State agency (DOH) or enter the Grant Opportunity name “Healthcare Practitioner Breast Cancer Research Education Projects (Round 3)”.
4. Click on the “Search” button to initiate the search.
5. Click on the Grant Opportunity from the search results grid and then select the “APPLY FOR GRANT OPPORTUNITY” button located bottom left on the Main page of the Grant Opportunity.

Once the application is complete, prospective grantees are strongly encouraged to submit their applications at least 48 hours prior to the due date and time. This will allow for sufficient opportunity for the applicant to obtain assistance and take corrective action.
should there be a technical issue with the submission process. **Failure to leave adequate time to address issues identified during this process may jeopardize an applicant’s ability to submit their application.** Both the NYSDOH and the Grants Gateway staff are available to answer applicant’s technical questions and provide technical assistance prior to the application due date and time. Contact information for the Grants Gateway Team is available under Section IV. B. of this RFA.

**PLEASE NOTE:** Although the NYSDOH and the Grants Gateway staff will do their best to address concerns that are identified less than 48 hours prior to the due date and time, there is no guarantee that they will be resolved in time for the application to be submitted and, therefore, considered for funding.

The Grants Gateway will always notify applicants of successful submission. If a prospective grantee does not get a successful submission message assigning their application a unique ID number, it has not successfully submitted an application. During the application process, please pay particular attention to the following:

- Not-for-profit applicants must be prequalified on the due date for this application submission. Be sure to maintain prequalification status between funding opportunities. Three of a not-for-profit’s essential financial documents – the IRS990, Financial Statement and Charities Bureau filing – expire on an annual basis. If these documents are allowed to expire, the not-for-profit’s prequalification status expires as well, and it will not be eligible for State grant funding until its documentation is updated and approved, and prequalified status is reinstated.
- Only individuals with the roles “Grantee Contract Signatory” or “Grantee System Administrator” can submit an application.
- Prior to submission, the system will automatically initiate a global error checking process to protect against incomplete applications. An applicant may need to attend to certain parts of the application prior to being able to submit the application successfully. Be sure to allow time after pressing the submit button to clean up any global errors that may arise. You can also run the global error check at any time in the application process. (see p.64 of the Grants Gateway Vendor User Guide).
- Grantees should use numbers, letters and underscores when naming their uploaded files. There cannot be any special characters in the uploaded file name. Also, be aware of the restriction on file size (10 MB) when uploading documents. Grantees should ensure that any attachments uploaded with their application are not “protected” or “pass-worded” documents.

The following table provides a snapshot of which roles are allowed to Initiate, Complete, and Submit the Grant Application(s) in the Grants Gateway.
<table>

**PLEASE NOTE:** Waiting until the last several days to complete your application online can be dangerous, as you may have technical questions. Beginning the process of applying as soon as possible will produce the best results.

**Late applications will not be accepted.** Applications will not be accepted via fax, e-mail, hard copy or hand delivery.

### F. Department of Health’s Reserved Rights

The Department of Health reserves the right to:

1. Reject any or all applications received in response to this RFA.
2. Withdraw the RFA at any time, at the Department’s sole discretion.
3. Make an award under the RFA in whole or in part.
4. Disqualify any applicant whose conduct and/or proposal fails to conform to the requirements of the RFA.
5. Seek clarifications and revisions of applications.
6. Use application information obtained through site visits, management interviews and the state’s investigation of an applicant’s qualifications, experience, ability or financial standing, and any material or information submitted by the applicant in response to the agency’s request for clarifying information in the course of evaluation and/or selection under the RFA.
7. Prior to application opening, amend the RFA specifications to correct errors or oversights, or to supply additional information, as it becomes available.
8. Prior to application opening, direct applicants to submit proposal modifications addressing subsequent RFA amendments.
9. Change any of the scheduled dates.
10. Waive any requirements that are not material.
11. Award more than one contract resulting from this RFA.

12. Conduct contract negotiations with the next responsible applicant, should the Department be unsuccessful in negotiating with the selected applicant.

13. Utilize any and all ideas submitted with the applications received.

14. Unless otherwise specified in the RFA, every offer is firm and not revocable for a period of 60 days from the bid opening.

15. Waive or modify minor irregularities in applications received after prior notification to the applicant.

16. Require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of an offerer’s application and/or to determine an offerer’s compliance with the requirements of the RFA.

17. Negotiate with successful applicants within the scope of the RFA in the best interests of the State.

18. Eliminate any mandatory, non-material specifications that cannot be complied with by all applicants.

19. Award grants based on geographic or regional considerations to serve the best interests of the State.

G. Term of Contract

Any contract(s) resulting from this RFA will be effective only upon approval by the New York State Office of the State Comptroller.

It is expected that contracts resulting from this RFA will have the following time period: 1/1/2021 through 12/31/2023 for a multi-year term of up to three years. Contracts will not be renewable.

Continued funding throughout this period is contingent upon availability of funding and state budget appropriations. DOH also reserves the right to revise the award amount as necessary due to changes in the availability of funding.

A sample New York State Master Grant Contract for Grants can be found in the Forms Menu once an application to this funding opportunity is started.

H. Payment and Reporting Requirements of Grant Awardees

1. No advances will be allowed for contracts resulting from this procurement.

2. The grant contractor will be required to submit quarterly invoices and required reports of expenditures to the State's designated payment office (below) or, in the future, through the Grants Gateway:
New York State Department of Health
Wadsworth Center
Extramural Grants Administration
Empire State Plaza, Room C345
PO Box 509
Albany, NY 12201-0509

Grant contractors must provide complete and accurate billing invoices in order to receive payment. Billing invoices submitted to the Department must contain all information and supporting documentation required by the Contract, the Department and the Office of the State Comptroller (OSC). Payment for invoices submitted by the CONTRACTOR shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner’s sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with OSC’s procedures and practices to authorize electronic payments. Authorization forms are available at OSC’s website at: http://www.osc.state.ny.us/epay/index.htm, by email at: epayments@osc.state.ny.us or by telephone at 855-233-8363. CONTRACTOR acknowledges that it will not receive payment on any claims for reimbursement submitted under this contract if it does not comply with OSC’s electronic payment procedures, except where the Commissioner has expressly authorized payment by paper check as set forth above.

Payment of such claims for reimbursement by the State (NYS Department of Health) shall be made in accordance with Article XI-A of the New York State Finance Law.

Payment terms will be:

- The contractor will be reimbursed for actual expenses incurred as allowed in the Contract Budget and Workplan.

- All claims for payment submitted by the contractor pursuant to this agreement shall be submitted to the State no later than 30 days after the end of the quarter for which reimbursement is being claimed.

- Quarterly claims for payment will not be paid until all required progress reports for that period are submitted and deemed acceptable by Extramural Grants Administration staff.

- The final claim for payment will be paid following the acceptance and approval of the final progress report.

- In no event shall the amount received by the contractor exceed the amount approved by the State.

3. The grant contractor will be required to submit the following reports to the Department of Health at the address above or, in the future, through the Grants Gateway:

- Written progress reports in accordance with the forms and formats provided by the Extramural Grants Administration, no later than 30 days after the end of each
reporting period.

- A final cumulative progress report in accordance with the forms and formats provided by the Extramural Grants Administration, no later than 60 days after the end of the contract term.

All payment and reporting requirements will be detailed in Attachment D of the final NYS Master Grant Contract.

I. Minority & Woman-Owned Business Enterprise Requirements

Pursuant to New York State Executive Law Article 15-A, the New York State Department of Health ("DOH") recognizes its obligation to promote opportunities for maximum feasible participation of certified minority- and women-owned business enterprises and the employment of minority group members and women in the performance of DOH contracts.

In 2006, the State of New York commissioned a disparity study to evaluate whether minority- and women-owned business enterprises had a full and fair opportunity to participate in state contracting. The findings of the study were published on April 29, 2010, under the title "The State of Minority and Women-Owned Business Enterprises: Evidence from New York" ("Disparity Study"). The report found evidence of statistically significant disparities between the level of participation of minority-and women-owned business enterprises in state procurement contracting versus the number of minority-and women-owned business enterprises that were ready, willing and able to participate in state procurements. As a result of these findings, the Disparity Study made recommendations concerning the implementation and operation of the statewide certified minority- and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that DOH establish goals for maximum feasible participation of New York State Certified minority- and women-owned business enterprises ("MWBE") and the employment of minority groups members and women in the performance of New York State contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, the New York State Department of Health hereby establishes a goal of 30% as follows:

1) For Not-for-Profit Applications: Eligible Expenditures include any subcontracted labor or services, equipment, materials, or any combined purchase of the foregoing under a contract awarded from this solicitation.

2) For-Profit and Municipality Applicants: Eligible Expenditures include the value of the budget in total.

The goal on the eligible portion of this contract will be 15% for Minority-Owned Business Enterprises ("MBE") participation and 15% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs and outreach efforts to certified MWBE firms). A contractor ("Contractor") on the subject contract ("Contract") must document good faith efforts to provide meaningful
participation by MWBEs as subcontractors or suppliers in the performance of the Contract and Contractor agrees that DOH may withhold payment pending receipt of the required MWBE documentation. For guidance on how DOH will determine “good faith efforts,” refer to 5 NYCRR §142.8.

The directory of New York State Certified MWBEs can be viewed at: https://ny.newnycontracts.com. The directory is found in the center of the webpage under “NYS Directory of Certified Firms” and accessed by clicking on the link entitled “Search the Directory”. Engaging with firms found in the directory with like product(s) and/or service(s) is strongly encouraged and all communication efforts and responses should be well documented.

By submitting an application, a grantee agrees to complete an MWBE Utilization plan as directed in Attachment 10 of this RFA. DOH will review the submitted MWBE Utilization Plan. If the plan is not accepted, DOH may issue a notice of deficiency. If a notice of deficiency is issued, Grantee agrees that it shall respond to the notice of deficiency within seven (7) business days of receipt. DOH may disqualify a Grantee as being non-responsive under the following circumstances:

a) If a Grantee fails to submit a MWBE Utilization Plan;
b) If a Grantee fails to submit a written remedy to a notice of deficiency;
c) If a Grantee fails to submit a request for waiver (if applicable); or
d) If DOH determines that the Grantee has failed to document good-faith efforts to meet the established DOH MWBE participation goals for the procurement.

In addition, successful awardees will be required to certify they have an acceptable Equal Employment Opportunity policy statement.

J. Limits on Administrative Expenses and Executive Compensation

On July 1, 2013, limitations on administrative expenses and executive compensation contained within Governor Cuomo’s Executive Order #38 and related regulations published by the Department (Part 1002 to 10 NYCRR – Limits on Administrative Expenses and Executive Compensation) went into effect. Applicants agree that all state funds dispersed under this procurement will, if applicable to them, be bound by the terms, conditions, obligations and regulations promulgated by the Department. To provide assistance with compliance regarding Executive Order #38 and the related regulations, please refer to the Executive Order #38 website at: http://executiveorder38.ny.gov.

K. Vendor Identification Number

Effective January 1, 2012, in order to do business with New York State, you must have a vendor identification number. As part of the Statewide Financial System (SFS), the Office of the State Comptroller's Bureau of State Expenditures has created a centralized vendor repository called the New York State Vendor File. In the event of an award and in order to initiate a contract with the New York State Department of Health, vendors must be registered in the New York State Vendor File and have a valid New York State Vendor ID.
If already enrolled in the Vendor File, please be sure the Vendor Identification number is included in your organization information. If not enrolled, to request assignment of a Vendor Identification number, please submit a New York State Office of the State Comptroller Substitute Form W-9, which can be found on-line at: http://www.osc.state.ny.us/vendor_management/forms.htm.

Additional information concerning the New York State Vendor File can be obtained on-line at: http://www.osc.state.ny.us/vendor_management/index.htm, by contacting the SFS Help Desk at 855-233-8363 or by emailing at helpdesk@sfs.ny.gov.

L. Vendor Responsibility Questionnaire

The New York State Department of Health strongly encourages that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at http://www.osc.state.ny.us/vendrep/index.htm or go directly to the VendRep system online at https://portal.osc.state.ny.us.

Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for VendRep System assistance, contact the Office of the State Comptroller’s Help Desk at 866-370-4672 or 518-408-4672 or by email at ciohelpdesk@osc.state.ny.us.

Applicants should complete and upload the Vendor Responsibility Attestation (Attachment 9) of the RFA. The Attestation is located under Pre-Submission uploads and once completed should be uploaded in the same section.

M. Vendor Prequalification for Not-for-Profits

All not-for-profit vendors subject to prequalification are required to prequalify prior to grant application and execution of contracts.

Pursuant to the New York State Division of Budget Bulletin H-1032, dated July 16, 2014, New York State has instituted key reform initiatives to the grant contract process which requires not-for-profits to register in the Grants Gateway and complete the Vendor Prequalification process in order for applications to be evaluated. Information on these initiatives can be found on the Grants Management Website.

Applications received from not-for-profit applicants that have not Registered and are not Prequalified in the Grants Gateway on the application due date listed on the cover of this RFA cannot be evaluated. Such applications will be disqualified from further consideration.

Below is a summary of the steps that must be completed to meet registration and prequalification requirements. The Vendor Prequalification Manual on the Grants Management Website details the requirements and an online tutorial are available to walk users through the process.
1) Register for the Grants Gateway

- On the Grants Management Website, download a copy of the Registration Form for Administrator. A signed, notarized original form must be sent to the NYS Grants Management office at the address provided in the instructions. You will be provided with a Username and Password allowing you to access the Grants Gateway.

If you have previously registered and do not know your Username, please email grantsgateway@its.ny.gov. If you do not know your Password, please click the Forgot Password link from the main log in page and follow the prompts.

2) Complete your Prequalification Application

- Log in to the Grants Gateway. If this is your first time logging in, you will be prompted to change your password at the bottom of your Profile page. Enter a new password and click SAVE.

- Click the Organization(s) link at the top of the page and complete the required fields including selecting the State agency you have the most grants with. This page should be completed in its entirety before you SAVE. A Document Vault link will become available near the top of the page. Click this link to access the main Document Vault page.

- Answer the questions in the Required Forms and upload Required Documents. This constitutes your Prequalification Application. Optional Documents are not required unless specified in this Request for Application.

- Specific questions about the prequalification process should be referred to your agency representative or to the Grants Gateway Team at grantsgateway@its.ny.gov.

3) Submit Your Prequalification Application

- After completing your Prequalification Application, click the Submit Document Vault Link located below the Required Documents section to submit your Prequalification Application for State agency review. Once submitted the status of the Document Vault will change to In Review.

- If your Prequalification reviewer has questions or requests changes you will receive email notification from the Gateway system.

- Once your Prequalification Application has been approved, you will receive a Gateway notification that you are now prequalified to do business with New York State.

**Vendors are strongly encouraged to begin the process as soon as possible in order to participate in this opportunity.**
N. General Specifications

1. By submitting the "Application Form" each applicant attests to its express authority to sign on behalf of the applicant.

2. Contractors will possess, at no cost to the State, all qualifications, licenses and permits to engage in the required business as may be required within the jurisdiction where the work specified is to be performed. Workers to be employed in the performance of this contract will possess the qualifications, training, licenses and permits as may be required within such jurisdiction.

3. Submission of an application indicates the applicant's acceptance of all conditions and terms contained in this RFA, including the terms and conditions of the contract. Any exceptions allowed by the Department during the Question and Answer Phase (Section IV.B.) must be clearly noted in a cover letter attached to the application.

4. An applicant may be disqualified from receiving awards if such applicant or any subsidiary, affiliate, partner, officer, agent or principal thereof, or anyone in its employ, has previously failed to perform satisfactorily in connection with public bidding or contracts.

5. Provisions Upon Default

   a. The services to be performed by the Applicant shall be at all times subject to the direction and control of the Department as to all matters arising in connection with or relating to the contract resulting from this RFA.

   b. In the event that the Applicant, through any cause, fails to perform any of the terms, covenants or promises of any contract resulting from this RFA, the Department acting for and on behalf of the State, shall thereupon have the right to terminate the contract by giving notice in writing of the fact and date of such termination to the Applicant.

   c. If, in the judgement of the Department, the Applicant acts in such a way which is likely to or does impair or prejudice the interests of the State, the Department acting on behalf of the State, shall thereupon have the right to terminate any contract resulting from this RFA by giving notice in writing of the fact and date of such termination to the Contractor. In such case the Contractor shall receive equitable compensation for such services as shall, in the judgement of the State Comptroller, have been satisfactorily performed by the Contractor up to the date of the termination of this agreement, which such compensation shall not exceed the total cost incurred for the work which the Contractor was engaged in at the time of such termination, subject to audit by the State Comptroller.

V. COMPLETING THE APPLICATION, REVIEW AND AWARD PROCESS

A. Application Format/Content

Please refer to the Grants Gateway: Vendor User Manual for assistance in applying for this procurement through the NYS Grants Gateway. This guide is available on the Grants Management website at:

Additional information for applicants is available at: https://grantsmanagement.ny.gov/resources-grant-applicants.

Also, you must use Internet Explorer (11 or higher) to access the Grants Gateway. Using Chrome or Firefox causes errors in the Work Plan section of the application.

ALL APPLICATIONS SHOULD CONFORM TO THE FORMAT/CONTENT PRESCRIBED in Attachment 2 – Application Checklist and Instructions. POINTS WILL BE DEDUCTED FROM APPLICATIONS WHICH DEViate FROM THE PRESCRIBED FORMAT.

It is the applicant’s responsibility to ensure that all materials to be included in the application have been properly prepared and submitted. Applications must be submitted via the Grants Gateway by the date and time posted on the cover of this RFA.

B. Freedom of Information Law

All applications may be disclosed or used by NYSDOH to the extent permitted by law. NYSDOH may disclose an application to any person for the purpose of assisting in evaluating the application or for any other lawful purpose. All applications will become State agency records, which will be available to the public in accordance with the Freedom of Information Law. Any portion of the application that an applicant believes constitutes proprietary information entitled to confidential handling, as an exception to the Freedom of Information Law, must be clearly and specifically designated in the application. If DOH agrees with the proprietary claim, the designated portion of the application will be withheld from public disclosure. Blanket assertions of proprietary material will not be accepted, and failure to specifically designate proprietary material may be deemed a waiver of any right to confidential handling of such material.

C. Review and Award Process

Applications will first be examined against mandatory Pass/Fail requirements by EGA staff (see RFA Attachment 2). Applications that do not meet the mandatory requirements will not be considered for review, and the applicant organization and PI/PD will be notified.

Applications with minor issues (missing information that is not essential to timely review and would not impact review scores) MAY be processed, at the discretion of the State, but all issues need to be resolved prior to time of award. An application with unresolved issues at the time award recommendations are made will be determined to be non-responsive and will be disqualified.

The Department contracts with an independent peer review organization to develop and coordinate the review and scoring of applications. Each eligible application will be evaluated by an Independent Peer Review Panel (the Review Panel) assigned by the
Peer Review Contractor. The Review Panel members will be selected from among non-New York State experts in the fields appropriate to the nature of the applications received. The HRSB has determined that a knowledgeable breast cancer survivor will serve as a reviewer on each application. The Peer Review Contractor has established a standing Review Panel to which expertise is added to evaluate the merit of actual applications submitted in response to the RFA.

Applications will be reviewed based on the criteria specified in Section V. E. Initially, a subcommittee of the Review Panel consisting of three peer reviewers will consider each application. The subcommittee of the Review Panel will use an established combination of processes to evaluate each application:

1. pre-meeting review with adjectival scoring (see table below)
2. on-line conferral among assigned reviewers
3. panel meeting discussion via teleconference, videoconference or in-person (review method chosen at the discretion of the Department) with numerical scoring (see table below)

The primary reviewer of each panel will prepare a written overall evaluation of each assigned application that is to be discussed by the Review Panel. Additionally, each of the assigned reviewers of a particular subcommittee will provide a written critique of the application based on established evaluation criteria.

Thereafter, the entire Review Panel will meet via teleconference, videoconference or in person (review method chosen at the discretion of the Department) to discuss and score each of the applications. Each member of the Review Panel will provide a confidential numerical score for each application they are eligible to review.

Applications will receive numerical scores from each participating panel member for each evaluation criterion using an integer scale that equates to adjectival scores, where 1 equates to highest merit and 9 equates to lowest merit. The numerical score given to each criterion will be multiplied by that criterion's weight. Each panel member's weighted scores for each criterion will be added together to give their individual total score. Review Panel members' individual total scores will be added together and divided by the number of Review Panel members who scored the application to give an overall panel score for the application.

<table>
<thead>
<tr>
<th>Numerical Score</th>
<th>Adjectival Score</th>
<th>Guidance</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>HIGH</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>1</td>
<td>Exceptional</td>
<td>Exceptionally strong with essentially no weaknesses</td>
</tr>
<tr>
<td>2</td>
<td>Outstanding</td>
<td>Extremely strong with negligible weaknesses</td>
</tr>
<tr>
<td><strong>MEDIUM</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>3</td>
<td>Excellent</td>
<td>Very strong with only some minor(^a) weaknesses</td>
</tr>
<tr>

<td>Marginal</td>
<td>A few strengths and a few major weaknesses</td>
</tr>
<tr>
<td>9</td>
<td>Poor</td>
<td>Very few strengths and numerous major weaknesses</td>
</tr>
</tbody>
</table>

\(^a\)Minor weakness: An easily addressable weakness that does not substantially lessen merit and/or the expected successful completion of the overall project

\(^b\)Moderate weakness: A weakness that lessens merit and/or the expected successful completion of the overall project

20
Major weakness: A weakness that severely limits merit and/or the expected successful completion of the overall project

The Review Panel will comment on the responsiveness of the application to the funding mechanism as described in Section III. The Review Panel will identify potential overlap with other resources/projects. Additionally, the Review Panel will comment on the application with regard to the Contract Policy Statements and Conditions (NYS Master Grant Contract Attachment A-1 Part B). The Review Panel may recommend administrative review and resolution prior to contract execution. Award recommendations made by the HRSB may be contingent upon the applicant’s acceptance of reductions or required revisions.

D. Application Penalties and Summary Statements

The Peer Review Contractor will assess a penalty of 0.1 point for any application that deviates from the instructions (see Application Checklist and Instructions, RFA Attachment 2).

The Peer Review Contractor will calculate final scores and compile a Summary Statement for each application for the HRSB. The Summary Statements will document the merit evaluation and serve as the primary basis for the panel recommendation for the applications.

E. Review Criteria

The following evaluation criteria will be considered by the Independent Scientific Merit Peer Review Panel:

**Approach**

To what extent does the application:

- Reflect an understanding of the relevant literature and apply it to the goals and objectives of the project?
- Provide clearly stated tasks and performance measures?
- Propose strategies that are consistent with or that build upon “The National Action Plan to Improve Health Literacy”?
- Apply or develop innovative methods, tools or resources to positively influence provider breast cancer communications and patient health literacy outcomes?
- Clearly describe the new breast cancer education content, materials and methods that will be used or developed to attain the project goals?
- Describe the means and methods of assuring cultural and linguistic competence in the communications of the target healthcare practitioners?
- Describe the plan to recruit and retain study participants?
- Ensure medical and scientific accuracy of project curriculum and associated materials?
- Propose the uses of human subjects appropriate to the overall goals of the project?
- Provide a clear description of the tools, methodologies and measures to be used in program evaluation and assessment?
• Describe plans for data collection and analysis (tool design, statistical methods chosen, etc.)?
• Describe plans to publish results of the research study in peer-reviewed/refereed journals, and strategies for publicizing findings in mainstream print or electronic media?
• Provide a realistic and efficient timeline for accomplishing the project, including program planning and development, pilot implementation, data analysis/assessment, subsequent program revision, and dissemination of results?

Need, Significance and Impact  20%
To what extent does the application provide a sound basis for the development of a novel communication skills education program? Specifically, does the application:
• Address a demonstrated unmet need?
• Provide a description of communication skills to be addressed and relate those to a significant need in the target community?
• Adequately justify that the proposed new healthcare practitioner communication skills education program has the potential to positively impact the identified gap or need?

Team Composition/Integration and Environment  20%
To what extent does the application provide a well-integrated and collaborative team of individuals and organizations to complete the goals of the project? Specifically, does the application:
• Clearly describe the strengths of the partnering organizations (environment, services, value-added resources and other relevant characteristics) and how these enhance the likelihood of the project’s success?
• Clearly describe the synergies created by the partnership?
• Describe the specific nature, quality and degree of proposed partnerships between the applicant and collaborating organization(s)?
• Identify potential barriers to communication and resource exchange among collaborators, and propose alternative strategies?
• Provide a clear connection between mission of each partnering organization and its role in the proposed project?
• Correlate and justify the background, skills and experience of key staff to specific components of the project?
• Reflect the ability of this team, as configured for the project, to make an important contribution to communication education programs and strategies?
Budget 20%

- Are the items for each budget line item explained?
- Are the budget line items adequately justified as necessary for successful completion of the project?
- Are the budgeted amounts reasonable, cost-effective and appropriate to accomplish the research aims?
- Are there specific excessive or unnecessary budget items?

Note: The entire Review Panel will review and comment on the Budget section. Numeric scores for the Budget criterion will be provided only by the assigned reviewers.

F. Health Research Science Board Review

The HRSB will discuss the application strengths and weaknesses and administrative and budget recommendations as outlined in the reports of the Review Panel. When making funding recommendations, the HRSB will consider Review Panel Scores and recommendations, responsiveness to the mission of the HRSB, responsiveness to the RFA, programmatic balance and availability of funds. The HRSB may vote in favor or against any application submitted for funding. Scoring ties will be resolved on the basis of the above and with consideration of the score for “Approach” among those applications involved in the tie.

The HRSB will vote on each application until available funds are exhausted and in compliance with HRSB bylaws as well as applicable New York State laws and regulations. If an application for which there are available funds is not recommended for funding, the HRSB will fully justify in writing why the application was not approved.

The HRSB may elect, at its discretion, to continue making recommendations for possible funding of proposals beyond what is available for the funding mechanism and the RFA. These applications will be given the status “Approved but not funded.” “Approved but not funded” applications may be funded should additional funds become available.

The HRSB will make recommendations for funding to the Commissioner of Health.

G. Award Decisions and Pre-Funding Requirements

Grant award contracts are entered into between New York State applicant organizations and the New York State Department of Health. Funding is contingent upon full execution of a contract between the applicant organization and the New York State Department of Health and approval by the Commissioner of Health, State Attorney General and State Comptroller.

Following the Commissioner’s approval of awards, PIs/PDs and their applicant organizations will receive formal notification in writing.

Prior to contract execution, program administrators will require resolution/submission/confirmation of the following items, as relevant to each application:
• Revisions to Workplan, project duration or budget
• Overlap
• Areas of possible concern with regard to Contract Policy Statements and Conditions (NYS Master Grant Contract Attachment A-1 Part B)
• Approved Facilities and Administrative Cost Rate

Once an award has been made, all applicants (whether their application was funded or not funded) may request a debriefing of their application. Please note the debriefing will be limited only to the subject application and will not include any discussion of other applications. Requests must be received no later than fifteen (15) business days from date of award or non-award announcement.

To request a debriefing, please send an email to hrsb@health.ny.gov. In the subject line, please write: Debriefing request (Healthcare Practitioner Round 3 RFA).

In the event unsuccessful applicants wish to protest the award resulting from this RFA, applicants should follow the protest procedures established by the Office of the State Comptroller (OSC). These procedures can be found on the OSC website at https://www.osc.state.ny.us/agencies/guide/MyWebHelp/. (Section XI. 17.)

H. Award Announcements

HRSB makes public in press releases and annual reports to the Governor and Legislature, the project title, the PI/PD(s), the name of the partnering organizations, total projects costs and duration. The project abstract and progress report may also be edited and made public.

VI. ATTACHMENTS

Please note that attachments can be accessed in the “Pre-Submission Uploads” section of an online application and are not included in the RFA document. In order to access the online application and other required documents such as the attachments, prospective applicants must be registered and logged into the NYS Grants Gateway in the user role of either a “Grantee” or a “Grantee Contract Signatory”.
